## Summary

Frontend Engineer with **1+ year of hands-on experience** building and shipping production-ready web applications using **React and Next.js**. Strong focus on performance, accessibility, clean component architecture, and pixel-perfect UI. Proven ability to work independently and collaborate with cross-functional teams in fast-paced environments.

## Experience

Front End Engineer | DevGenit | Remote

07/2025 – Present

- Built and shipped production features for high-traffic web applications using **React, Next.js, and Tailwind CSS**.
- Improved page load performance through component optimization and rendering strategies, resulting in a smoother user experience.
- Worked closely with designers and backend engineers to translate Figma designs and REST APIs into scalable UI components.
- Implemented accessible, responsive layouts ensuring cross-device consistency.
- Designed reusable component systems to reduce duplication and improve development speed.

## Recent Projects

- [ACS Youth Summit 2025](#)
  - Designed and developed a fully responsive event website using **Next.js, Tailwind CSS, and Framer Motion**.
  - Achieved **#1 ranking** on Google for the primary event keyword within days of launch through SEO-friendly architecture.
  - Delivered the project end-to-end under tight deadlines.
- [Skill Up](#)
  - Led frontend development for a multi-page platform, owning UI architecture and visual consistency.
  - Built polished, animation-rich interfaces using **shadcn/ui, Tailwind CSS, and Framer Motion**.
  - Collaborated with stakeholders to refine UX and iterate quickly.

## Core Competencies

### Frontend

- React.js, Next.js, TypeScript
- Tailwind CSS, shadcn/ui, Framer Motion

### Backend

- Node.js, Express.js, REST APIs
- Firebase, MongoDB

### Tools & Workflow

- Git, GitHub, Vercel, CI/CD
- Postman, Figma
- Cursor AI, VS Code

### Strengths

- Performance Optimization
- Component Architecture
- SEO-Friendly Web Apps
- Rapid Prototyping & Problem Solving

## Education

### B.Sc. in Information and Communication Technology

Comilla University | Cumilla, Bangladesh | 10/2025 – Present

- Achieved **1st Prize** in the Intra-Department Programming Contest during ICT Week 2025 (Junior Segment).

### Higher Secondary Certificate (HSC)

Dhaka College | Dhaka

08/2023
